Get up-to-date on these important design subjects while fulfilling your AIA learning requirements

Earn 3 AIA LU Credits -FREE-

AIA training is coming to Schaumburg March 17. In cooperation with Glass Expo Midwest, the Architects' Guide to Glass & Metal and USGlass magazine are presenting a day-long program at the Renaissance Schaumburg Hotel & Convention Center.

And you're invited to attend at no charge. Earn 3 AIA Learning Units (LU). Includes complimentary lunch and gift card.

Hear presentations from experts on the latest in glass technology including new coatings for glass, energy-efficient products and green glazing. Earn your AIA LUs while you get up-to-date information on the latest products and techniques in the architectural glass and metal industry.

Come and join us. Hear a host of informative presentations, and gain free entry to the Glass Expo Midwest show where you can further your knowledge about the architectural glass and metal industry.

Yes, I plan to attend the Architects' Educational Forum being held at the Renaissance Schaumburg Hotel & Convention Center March 17. Please register me at no charge.

I'm interested in this program. Please send me more details.

I won't be able to attend the program March 17, but have the presenters contact me to provide me with more information.
